Joe S.

Concrete Industry Consultant
Pismo Beach, California, United States

Experience

Self Employed

Concrete Industry Consultant
January 2022 - Present (4 years 8 months)

Strategic advisor and former operating executive with deep expertise across the ready-mix concrete and cement value chain. Brings a rare combination of C-suite leadership experience within a multinational building materials company, entrepreneurial success scaling an industry-focused process control business, and senior operational leadership within a high-performing concrete contracting organization.
